

## GUIDELINES FOR ORAL PRESENTATION

Dear Speaker,

In order to prepare your presentation in best possible way we kindly ask that you read the instructions and guidelines below carefully.

### Speaker Preview Room

The facilities in the Speaker Preview Room of the European Population Conference 2016 will provide the possibility of:

- reviewing your presentation on Windows-based computers
- last minute alterations of your PowerPoint presentation
- support by technical staff
- uploading your PowerPoint presentation on the server

To enable the staff to handle the technical aspects in an efficient way, all presentations should be prepared according to the guidelines below. It is essential that:

- the **correct format is used** (see below)
- the presentation be handed in on time at the Speaker Preview: **at least two hours before the beginning of your session** (it is strongly recommended to deliver your presentation the day before the session if possible).

The Speaker Preview Room is located on the ground floor in P6.

### Speaker Preview Room opening hours:

### Transfer of your Presentation

Please submit your presentation to the Speaker Preview Room via one of the following medium:

- CD ROM (CD-R/RW), DVD-ROM (DVD-R/RW)
- USB memory stick

Save all files associated with your presentation (PowerPoint file, movie/video files etc.) to one folder/location. We recommend to save videos and graphics and pictures separately on your CD-Rom or USB-Stick. In case of problems we can re-insert the originals.

Conference staff will transfer your presentation from the Speaker Preview Room to the corresponding session rooms. You will easily find your presentation at the lectern installed laptop in your session room.

In the event that you have more than one presentation during the conference, save the different presentations in different folders and name them clearly to avoid any on-site misunderstandings and problems.

Always make a backup copy of your presentations and all associated files and save them on a separate portable medium by yourself.
